# **ASHAPURA INTERNATIONAL LIMITED** FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2024

## INDEPENDENT AUDITOR'S REPORT

To
The Members of
ASHAPURA INTERNATIONAL LIMITED

Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Ashapura International Limited ("the Company") which comprise the balance sheet as at 31st March 2024, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024 and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatements of the financial statements, whether due to
fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
detecting a material misstatement resulting from fraud is higher than for one resulting from error,
as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
of the internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we
  are also responsible for expressing our opinion on whether the Company has adequate internal
  financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosure, and whether the financial statements represent the underlying transactions and events
  in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
- As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account;

- chartered accountants
- In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
- On the basis of written representations received from the directors as on 31st March 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024, from being appointed as a director in terms section 164(2) of the Act;
- f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure - B may be referred;
- g) In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
  - The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
  - The Company did not have any long-term contracts including derivatives ii. contracts for which there were any material foreseeable losses;
  - There were no amounts which were required to be transferred to the Investor iii. Education and Protection Fund by the Company.
  - iv. The Management has represented that, to the best of its knowledge and belief, as disclosed in the note no. 40(i) to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b. The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note no. 40(j) to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- The Company has not declared or paid any dividend during the year. V.
- VL. Based on our examination which included compliance test and test checks, the Company has used the accounting software for maintaining books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

# ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

# 1 In respect of property, plant and equipment:

 The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.

The Company has maintained proper records showing full particulars intangible assets.

- b. Property, plant and equipment were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No material discrepancies were noticed on such verification.
- c. The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under property, plant and equipment are held in the name of the Company.
- d. The Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets during the year.
- e. There are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and Rules made thereunder.
- a. The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
  - b. The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets of the Company. The quarterly returns or statements filed by the Company with such banks are generally in agreement with the books of account. The difference which is not material is on account of valuation, provisions etc. during the course of audit subsequent to the submission of such returns or statements.
- 3 In respect of investments, guarantees or securities provided or loans or advances in the nature of loans granted by the Company:
  - a. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year except:

Particulars	Loans (₹ in lacs)
Aggregate amount granted during the year - others	26.85
Aggregate amount granted during the year – subsidiary	600.00
Aggregate amount granted during the year -holding company	1,730.21

#### chartered accountants

Balances outstanding as on balance sheet date - fellow subsidiary	431.85
Balances outstanding as on balance sheet date -subsidiary	600.00
Balances outstanding as on balance sheet date - holding company	1,730.21
Balances outstanding as on balance sheet date - others	27.65

- b. The terms and conditions of the grant of these loans and investment made during the year are not prejudicial to the interest of the Company except that no interest is charged on the loans given to a fellow subsidiary.
- c. In respect of loans granted by the Company, the schedule of repayment of principal has been stipulated and the repayments are regular.
- d. There is no overdue amount in respect of loans granted.
- e. No loans or advances in the nature of loans granted by the Company that have fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- f. The Company has not granted any loans or advances in the nature of loans that are either repayable on demand or without specifying any terms or period of repayment.
- 4 The Company has complied with the provisions of sections 185 and 186 of the Act in respect of grant of loans, investments made, guarantees given and securities provided, to the extent applicable.
- The Company has not accepted any deposits from public or amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and rules made thereunder, to the extent applicable except for advances from customers aggregating to ₹788.85 lacs, which, in the opinion of the management, are accepted in the ordinary course of business.
- We have broadly reviewed the cost records maintained by the Company pursuant to Section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- 7 In respect of statutory and other dues:
  - a. The Company has been regular in depositing undisputed statutory dues, including goods and service tax, provident fund, employees state insurance, income tax, cess, and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
  - b. There are no amounts outstanding, which have not been deposited on account of dispute except for the followings:

Nature of Dues	Statute	Financial Year	₹ in lacs	Forum where dispute is pending
Income Tax	Income Tax Act	2017-2018	769.06	The Commissioner of Income Tax (Appeals)
Income Tax	Income Tax Act	2016-2017	77.95	The Commissioner of Income Tax (Appeals)

C	hart	tered	accoun	tant	2
-			4 6 6 0 0 11		

Income Tax	Income Tax Act	2021-2022	23.33	The Commissioner of Income Tax (Appeals)
Goods & Service Tax	Goods & Service Act	2017-2018	106.13	The Commissioner of Goods & Service Tax (Appeals)

- The Company has not surrendered or disclosed any transactions, previously unrecorded in the 8 books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of 9 interest thereon to any lender.
  - b. The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
  - c. The term loans have been applied for the purposes for which they were obtained.

10

11

- d. On an overall examination of the financial statements of the Company, funds raised on shortterm basis have, prima facie, not been used for long-term purposes by the Company.
- e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its fellow subsidiaries or associates. The Company does not have any subsidiaries or joint ventures.
- f. The Company has not raised loans during the year on the pledge of securities held in its subsidiary. The Company does not have any investments in joint ventures or associates.
- a. The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments).
- b. The Company has not made any preferential allotment or private placement of shares or fully/partly convertible debentures during the year and hence, the requirement to report under clause 3(x)(b) of the Order is not applicable.
- a. No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. The Company has not received any whistle blower complaint during the year and up to the date of this report.
- The Company is not a Nidhi Company as per the provisions of the Act. The requirement to report under clause 3 (xii) of the Order is, therefore, not applicable.
- 13 All transactions with the related parties are in compliance with Section 177 and 188 of the Act and the details have been disclosed in the financial statements as required by the applicable accounting standards.

14

- a. The Company has an internal audit system commensurate with the size and nature of its business.
- We have considered the internal audit reports of the Company issued till date for the period under audit.
- 15 The Company has not entered into any non-cash transactions with its directors or persons connected with its directors.
- The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
  - b. The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid certificate of registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
  - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
  - d. There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly the requirement to report under clause 3(xvi)(d) of the Order is not applicable.
- 17 The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- 18 There has been no resignation by the statutory auditors of the Company during the year.
- According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20 There are no unspent Corporate Social Responsibility (CSR) amounts required to be transferred under sub-section (5) or (6) of Section 135 of the Act.

# ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of Ashapura International Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

chartered accountants

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### COMPANY INFORMATION

Ashapura International Limited (the 'Company') is a closely held public limited company domiciled in India and incorporated under the provisions of the Companies Act vide CIN: U14108MH1989PLC054664. The Company is engaged in the manufacturing of mining, manufacturing and trading of various minerals and its derivative products. The registered office of the Company is located at Jeevan Udyog Building, 3<sup>rd</sup> Floor, D N Road, Fort, Mumbai – 400 001. The Company is a wholly-owned subsidiary of Ashapura Minechem Limited.

The financial statements ('the financial statements") were authorized for issue in accordance with the resolution of the Board of Directors on 29th May, 2024.

#### 1 BASIS OF PREPARATION, MEASUREMENT AND MATERIAL ACCOUNTING POLICIES

# 1.1 Basis of preparation and measurement:

These financial statements are prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Company considers 12 months as normal operating cycle.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

#### 1.2 Material accounting policies:

#### a. System of Accounting

The financial statements of the Company are prepared in accordance with Indian Accounting Standards ("Ind AS"), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 ("Act"), except in case of significant uncertainties.

#### b. Key Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

#### c. Property, Plant and Equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Company depreciates property, plant and equipment on written down value method except for building, plant & machinery, laboratory equipment and excavators where depreciation is provided on straight line method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

#### d. Investments Properties

- (i) Property which is held for long-term rental or for capital appreciation or both is classified as Investment Property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.
- (ii) Investment properties currently comprise of plot of lands and building.
- (iii) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in Statement of Profit and Loss in the period in which the property is derecognised.

#### e. Other Investments and Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at -

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

#### f. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location or net realizable value, whichever is lower.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.

(iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company.

# g. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

#### h. Trade Receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

#### i. Financial Liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities ar subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

#### Trade Payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

# k. Revenue Recognition

- (i) Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of contract.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Accumulated experience is used to estimate and provide for the discounts/rights of return, using the expected value method.

- (iv) A return liability is recognised to expected return in relation to sales made corresponding assets are recognised for the products expected to be returned.
- (v) The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customers.

# 1. Mining Expenses

Expenses Incurred on mining including removal of overburden of mines are charged to the profit & loss statement as mining cost on the basis of quantity of minerals mined during the year since overburden of removal and mining are carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

# m. Foreign Currency Transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

#### n. Employee Benefit Expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further obligations beyond the monthly contributions.
- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is not reclassified to the statement of profit and loss in subsequent periods. Past service cost is recognised in the statement of profit and loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) Other long term employee benefits comprise of compensated absences/leaves. The actual valuation is done as per projected unit credit method. Remeasurements as a result of experience adjustments and changes in actual assumptions are recognised in the Statement of Profit and Loss.

#### o. Leases

#### Company as lessee

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

#### Company as lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

#### Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the Effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

#### q. Taxation

- (i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- (ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

## r. Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation (legal or constructive) as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

#### s. Impairment of Non-Financial Assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

# t. Earnings Per Share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

#### u. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the operating decision makers. The decision makers regularly monitor and review the operating result of the whole Company. The activities of the Company primarily falls under a single segment of "Minerals and its derivative products" in accordance with the Ind AS 108 "Operating Segments".

#### Note 33

#### Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from Measurement	Management
Credit Risk	Cash and cash equivalents, financial Credit ratings Aging assets and trade analysis receivables	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not Sensitivity analysis denominated in INR	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

#### A. Credit risk

Credit risk referes to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies and others.

In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the excepcted credit loss (ECL) policy of the Company. The Company regulary reviews trade receivables and necessary provisions, whenever required, are made in the financial statements.

## B. Liquidity risk

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forcast and actual cash flows and by matching the maturity profiles of financial assets and liabilities. The table below provides details of financial assets:

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forcast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

(Indian ₹ in lacs)				
Particulars	Less than or equal to	ess than or equal to		
	one year	one year	Total	Carrying value

Other financial liabilities	11 & C 44.75	-	44.75	44.75
Total financial assets	9,455.96	3,485.40	12,941.36	12,787.03

#### C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company has several balances in foreign currency and consequently, the Company is exposed to foreign exchange risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

#### a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings, wherever possible.

#### b) Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

		ndian 7 in lacs)
Particulars	Increase/decrease in Effect of basis points	f profit before
31st March, 2024	+100	16.76
	-100	(16.76)
31st March, 2023	+100	20.47
	-100	(20.47)

Company's exposure to foreign currency risk at the end of each reporting period is as under:

c) Exposure in foreign currency -Hedged The Company has no hedged foreign currecy exposure at the end of the relavant period.

# d) Exposure in foreign currency - Unhedged

	(in lacs)	
Carrency	31st March 2024	31st March 2023

Payables		
USD	15.57	16.63
EURO	1.10	0.94
AED	0.49	1.28
SGD	0.01	-

#### e) Foreign currency sensitivity

The Company is mainly exposed to changes in USD and EURO. The below table demostrates the sentivity to a 5% increase or decrease in the USD and EURO against INR, with all other variables held constant. The sensitivity analysis is prepared on the the net unhedged exposure of the Company as at reporting date. 5% reprents management's assessment of reasonably possible change in foreign exchange rate.

(₹in lacs)

Par	ticulars	Currency	Change in rate	Effect on profit before tax
31 March 2024		USD	+5%	604.02
		USD	-5%	(604.02)
31 March 2023		USD	+5%	289.97

		EURO	-5%	(127.07)

#### Note 34

# Capital management

The Company's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the company.

The following table summarises the capital of the Company:

- b. The title deeds of all immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
- c. The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- d. The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- e. The Company has not been declared as a wilful defaulter by any lender who has powers to declare a company as a wilful defaulter at any time during the financial year or after the end of reporting period but before the date when the financial statements are approved.
- f. The Company does not have any transactions with struck-off companies.
- g. The Company has used the borrowings from banks for the specific purpose for which it was obtained.
- h. The Company does not have any subsidiaries and therefore, compliance as to the number of layers prescribed under clause (87) of section 2 of the Companies Act 2013 read with Companies (Restrictions on number of Layers) Rules, 2017 is not applicable.
- The company has not advanced or loaned or invested funds to any other person(s) or entity(is), including foreign entities(intermediaries), with the understanding that the intermediary shall;
  - i. Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries), or
    - ii. Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- j. The Company has not received any funds from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall;
  - i. Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate beneficiaries), or
    - ii. Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- k. The Company does not have any transactions which is not recorded in the books of accounts but has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 ( such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- Quarterly returns or statements of current assets filed by the Company with banks are generally in agreement with the books of accounts.
- m. The Company does not have any charges or satisfaction which is yet to be registered with the Registrar of Companies (ROC) beyond the statutory period.
- n. The Company is operating under SAP environment which is fully integrated financial accounting and reporting system. The management confirms that the accounting software used by the Company for maintaining books of account has a feature of recording audit trail (edit log) facility which has been operated throughout the year for all transactions recorded in the software and the audit trail feature is not being tampered with.

- 41 Balances with sundry creditors, sundry debtors and for loans and advances in few cases are subject to confirmations from the respective parties and reconciliations, if any. In absence of such confirmations, the balances as per books are relied upon by the auditors.
- 42 In the opinion of the Directors, the current assets, loans and advances are approximately of the value as stated in the balance sheet, if realized in the ordinary course of the business. The provision of all known liabilities is adequate and not in excess of the amount reasonably required.
- 43 All the amounts have been stated in Indian Rupees in lacs, unless otherwise stated.
- 44 Previous year's figures has regrouped and rearranged, wherever necessary.
